MEMBERSHIPS BY EFT

Many members have paid their membership early and for this we say thank you very much.

If you are looking to pay your membership by Bank transfer (EFT) please ensure that you identify yourself by using the eight digit CRN from the front of the form as the reference.

If you have any difficulty with your financial institution re this number (apparently some can't handle eight digits) use your four digit member number and the first three letters of your surname i.e. 1234MEM as the reference.
